

Saskatoon Police Service

Honour - Spirit - Vision

Telecommunications Special Constable

Consider a career in the Communications Section of the Saskatoon Police Service. We will provide on-the-job training for receiving calls for service, operating the 9-1-1 system, the Computer-Aided Dispatch (CAD) system and the multi-channel trunked radio system.

Successful candidates will:

- screen emergency and non-emergency calls for service
- assign priorities and coordinate response activities for multiple patrol units
- work 12 hour shifts for two days, two nights, followed by four days off

As the ideal candidate, you will possess the following qualifications:

- Grade 12 or GED with complete Grade 10 standing
- Typing speed of 50 words per minute (typing certificate required)
- Ability to pass a written entrance exam and Critical test (simulated 9-1-1 calls)
- Ability to pass a criminal occurrence security check and participate in an extensive recruitment process

The Saskatoon Police Service is an employment equity employer. We offer a comprehensive benefits plan including group medical and dental, life insurance, pension plan, employee assistance program, career training, on-site fitness facilities and a starting salary of \$45,020 which increases to \$72,202 after five years. Please visit the Recruiting Section of our website for further details.
